Assessments

HITS COUNT!! The goal of each exercise is to have all hits in the center of mass within the scoring rings of the silhouette target.

Each Student Must:

- From the Three-Yard Line, present and fire at least two shots from the pistol from concealment (minimum 10 shots on target)
- From the Five-Yard Line, present and fire at least three shots from the pistol from concealment (minimum 15 shots on target)
- From the Seven-Yard Line, present and fire at least three shots from the pistol from concealment (minimum 15 shots on target)
- From the Ten-Yard Line, present and fire at least two shots from the pistol from concealment (minimum 10 shots on target)
- From the Seven-Yard Line, from directly in front of the target, side step, present and fire at least two shots from the pistol from concealment (minimum 10 shots on target)
- From the Seven-Yard Line, present and fire at least two shots from concealment, side step, perform a speed reload, and shoot an additional two shots (minimum of 5 repetitions - 20 shots on target)
- From the Seven-Yard Line, present and fire at least two shots from concealment, perform and immediate action drill, and shoot an additional two shots (minimum 5 repetitions - 20 shots on target)
- **Successfully complete the timed Defensive Pistol Qualification Course of Fire**

Class Duration – 9 Hours – Approximately
